European Doctors Orchestra is pleased to welcome new Friends of the Orchestra.

An invitation to become a Friend of The European Doctors

When you become a Friend of the Orchestra, you will help us to continue performing exciting and varied musical programmes in venues across Europe. We are doctor musicians from many different countries and specialities, sharing our experiences and love of music.

The orchestra is managed by unpaid Trustees; players pay all their own travel and expenses and make a subscription donation, so the profit on ticket sales is donated to a local medical or children's charity.

Friends are invited to a reception before or during the interval at a concert. There will be regular email updates about the orchestra plans, local hotels, and invitations to join us for social events during the concert rehearsal weekend.

I/we wish to become a Friend/Joint Friend of EDO for the 2023 season
